

5 Bedroom Villa For Sale in Loulé (São Sebastião)

Ref: P41

Located in the Loulé hills, with fantastic Sea and Country views, this 5 bedrooms-5 bathrooms property is the region's first Net Zero Energy House. This high performing low maintenance villa ensures your contribution to the environment while providing great comfort and contemporary design for a modern lifestyle in a natural environment.

The ground floor is composed of a large open space with a living room, kitchen and dining room that leads right to the pool area with an astonishing sea view. A big skylight is set over the dining room area. On the first floor, a long hallway gives access to a guest bedroom and a master bedroom with large windows overlooking the pool and direct access to a covered terrace that connects to the pool area. Below, we find 3 bedrooms with ensuite bathrooms, Gym, Games Room, Garage and Utility Room.
